Single PDF for quick UAT when using “Attach to all missing” or “Upload PDF to claim”.

Lines on visit (example):

- SHA-12-001 Consultation — see consultation case note section below.
- SHA-12-003 Basic radiological examinations — imaging summary included.

Consultation summary: Outpatient SHIF visit completed; patient stable; plan documented.
Imaging summary: Basic radiological study performed; report filed for SHA billing.

Use document_type CASE_NOTE or TREATMENT_PLAN if national rejects IMAGING for consult line; prefer separate PDFs in this folder for production-like tests.
